EDUCATION

Academy Of Cryptography Techniques (08/2013 - 06/2018)

I graduated a college degree in Information Systems Security Engineering, but I decided on a job as a Web Developer.

Website: <https://actvn.edu.vn>

- After 5 years in college, I successfully completed a graduate thesis on programming: Using NodeJS and MongoDB to create an online chat messaging application. And my graduation thesis received a **9.7/10**, making it the third highest mark in the university. You may view that moment of mine here: https://youtu.be/uSuvb2ah2_w

THANK YOU, HAVE A GOOD DAY!
